

Saddle Tote

Compact tote that can attached to different sizes of recycle bins.

Saddle Tote

Use this small saddle tote on almost any recycle bin to separate and collect secondary materials such as waste, organics or batteries. The compact design allows for the tote to be hung on the outside or inside of a recycle bin. Made from high density polyethylene this tote is durable and easy to clean.

FEATURES:

- Made from high density polyethylene (HDPE)
- Measured volume at 0.8 Gallons or 3 Litres
- Rounded design for easy cleaning
- Attaches to under desk recycle bin and all models of Nova recycling products
- Create a desk side recycling station when combined with Nova's 5 Gallon Under Desk Recycle Bin or 7 Gallon Mini Recycle Bin
- Custom colours available
- Custom imprinting available
